WHAT DOES A GUY HAVE TO DO TO GET A DECENT MEAL AROUND HERE?

Welcome to Taz-Mania™, home of the hit cartoon series. Now, it's the hottest new game on Sega™ Genesis™.

And lots of your favorite characters are there. Like Taz. Bull Gator. The Bush Rats. Francis X. Bushlad. And Axl.

Our hero, Taz, is always hungry.

But in this game, his dinner's been hidden way across the island. And you have to take him for a spin to find it.

Just be warned. Play Taz-Mania once, and you'll always be hungry for more.

Munch a hot pepper and Taz can really burn up his enemies.

Taz explodes through 17 levels of high-energy adventure.

Taz growls and fusses—and whirls into a Taz tornado.

Signs like this mean Taz is in big trouble.

STAN'S SOAPBOX

Hi, Heroes!

Take warning! Today's tantalizing little treatise is gonna be one big, unblushing, unabashed plug! Much as I try not to sully the cultural purity of this prize-winning column (No lie! I awarded myself a no-prize only last week), I can hold back no longer! The time has come to shamelessly huckster one of the greatest projects Marvel has ever offered the pantin' public!

I had no intention of writing about it this month — but then, I saw some pages! I tell you true, they blew me away! The artwork! The action! The characters! The stories! They represent the peak of superhero excitement! And these are just the first issues! Just imagine what'll happen when we begin to figure out what the heck we're doing!

But none of this humongous hype will mean anything if I don't tell you the name of the mags that have me semi-delirious!

Although, chances are you've already guessed what I'm leading up to in my carefully restrained, low-key way! All of comic-dom has been wondering and whispering about Marvel's long-awaited 100-year leap into the next century of superhero sagas — the daring new series which spans ten dangerous decades in order to bring us to a breathtakingly new and startling world — a world of the horrible and the heroic, the weird and the wonderful, the violent and the valorous — in short, the totally awesome, mind-staggering world of — MARVEL 2099!

Best of all, the world of one hundred years from now is still an integral part of the famed Marvel Universe! For, in MARVEL 2099 you'll meet the SPIDER-MAN of the future, the PUNISHER of the future, the DR. DOOM of the future, and the one new character who is destined to take his place among the most dazzling stars in our literary firmament — RAVAGE! Man Without Mercy!

I've seen the artwork! I've read the

scripts! I've shared the excitement racing madly through the Bullpen and I tell you this — there has never been a new comicbook project more eagerly awaited or more passionately created! SPIDER-MAN 2099! PUNISHER 2099! DR. DOOM 2099! And they're only the beginning! Yes, MARVEL 2099 may well be the most sensational new series of the next ten decades!

Okay! I warned you that this would be an unadulterated plug! But it wasn't written just to sell a few extra copies; matter of fact the mags aren't even available yet! It was written to alert you, as one friend to another, when they do go on sale, don't let a single copy of the MARVEL 2099 series slip away, because this is a golden opportunity, for you and us together, to be in at the start of a legend!

Stan Lee

"TAKE ME OUT TO THE COMIC BOOK SHOP!" This is a familiar cry that rings out every year at about this time. School's out, the weather is hot, and children of all ages and shoe sizes are looking for new ways to enjoy the new national pastime — comic books! All across the nation, eager readers are keeping their eye firmly on the comic racks, choking up on their wallets, ready to take a swing at a new series, hoping for a home run. Truly it is a joyous time for all.

There was plenty of joy in Marvelville this past April, as the Marvel editorial all-stars took off a few rainy days in April for the warmer climes of California. The line-up looked like this: **Stan Lee**, who is the Abner Doubleday of Marvel, Manager **Tom DeFalco**, Benchwarmer **Mark Gruenwald**, Outfielder **Carl Potts**, Switch-hitter **Fabian Nicieza**, Shortstop **Bobbie Chase**, and Star Rookie **Hildy Mesnik**. The Marvel boys 'n girls of summer were in California to round the promotional bases, and actually wound up performing something of a double-header.

They first stepped up to the plate in Oakland where they threw out the first ball at a local comics convention. If the roar of the crowd was any indication, the Marvel madmen scored quite a hit with their "exhibition games." Among other hair-raising heroics, Tom D. performed his famous "popping a balloon by sitting on it" trick, Bobbie Chase juggled unjuggable garments, Mark demonstrated his face's affinity for shaving cream pies, and Fabian caught M&M's in his mouth. A talent scout was heard to remark that "Fabian has a good eye. I'm not crazy about his nose, but the kid has a good eye." The convention featured all these Marvel madmen playing their best game; everyone gave 110%. As one spectator noted at the time, "They really came here to play ... with the possible exception of DeFalco, who may have come just for the promise of free peanuts and crackerjacks!"

The Marvelballers carried their winning streak over to **George Lucas's** special effects company, Industrial Light and Magic, located at a secret location in _____, California. Although Tom's titans didn't have the home field advantage, they still came through like champions. At ILM, DeFalco's dreadnaughts presented an hour and a half talk about Marvel as part of ILM's guest-lecture series. The speech went over like a grand slam, with the Marvel team committing only a few errors. (Fortunately for all, the speech did not go into extra innings.)

Having completed this double play of shmoozing, the Marvel team headed for home. Back at our own field of comic book dreams, the Marvel bullpen was treated to visits by a few famous heavy-hitters. These illustrious guests were not sluggers — rather, they were musicians! First up was half of the famous **Kid 'n Play** rap team — none other than Hall of Famer, **Kid!** Kid was a good sport — you could say he really came to play. (Unfortunately, Play didn't come to kid.) Kid really did stop by — would we kid you about a thing like that?

Hot new heavy metal group **War Babies** also dropped by the bullpen, to witness our hardworking team as we went through spring training. Fans of hard-rockin' music should check out the War Babies new album — these guys may never play the National

Anthem at Yankee Stadium, but their music is ready for the major leagues!

As we complete the seventh inning stretch of this Bullpen page, we are somehow put in the mind of ... baseball. This is probably as good a time as any to check in with the Marvel softball team, the Punishers. This grim and gritty team, whose uniforms feature glow-in-the-dark gatefold holograms, lost their first game against local TV station WNET. Still, the Punishers put up a good fight, much like the fictional Punisher in pursuit of some perpetrators, keeping it competitive at 12-8. Team managers this year are managing editor "Diamond" **David Wohl** and editor **Rob "The Babe" Tokar**.

At the time of this writing, the Marvel team was gearing up for the first of three big games against uptown archrivals DC. After the way we humiliated the DC Batmen last

year, it should be interesting to see what happens when the Batmen Return. (Sure, they can get multi-million dollar movies made, but can they compete where it really counts — on the softball field?)

And, in the field of television, one show which is sure to slide into first place soon is the syndicated **Dennis Miller Show**. Dennis did some colorful commentary about Marvel Comics of the late sixties on a recent episode of his late night talk-fest. It seems Dennis was a bigtime Marveloid in his bush league days. Thanks for going to bat for us, Dennis! You can be our designated talk show host any time!

Looks like Mighty Marvel has not struck out with the fans this year. If our winning streak continues, we may make it all the way to the World Series of Comics! So until next time, remember — it ain't over till the Kingpin sings!

Attention Correspondent-Dudes: All letters considered for publication must include your name and address, though we will withhold that info upon request!

Welcome, excellent readers, to yet another non-bogus BILL & TED letters page! Our guest letter-answerer this month was supposed to be the Big Guy, but unfortunately, he canceled at the last minute. He wasn't specific about the reasons, but we took his word that it was pretty important.

As a result, nobody's here to answer the mail (except us editors, and, hey, we're not going to do it). We've decided to let your letters — specifically, your ideas regarding Bill & Ted — speak for themselves this month. You decide whether that Dardin guy has any competition to worry about...

Dear Bill & Ted,

You guys are the most totally cool dudes and I think you are the greatest guys in the world.

What about someone named Linus from the year 3492? He's a E, R, S student and loves your rock & roll and 15-1/2 and is great with a future keyboard thing. Oh, where was I, oh yeah, you are the greatest guys on Earth and Linus gets his own phone booth to meet you in '92 and showed you what a cool guy he is and please let him join the band and let him in all the comic books and Linus goes to year 1889 and gets a babe. Her name was Kelly and she was added to the band. Make a comic book with him in it. Let me be the first to get it. Mail it to me, okay?

Derek Mossman
(Address illegible)

Uhm...we've had a character named Linus since issue #1, Der...Uhm...great idea though.

Hi Bill & Ted,

Ytooch man dudes, I have enjoyed your magazines most excellently. I think your movies are most triumphant, but a little visit to Scotland in your excellent adventures would have been appreciated. Logre Baird and Arther Gramah Bell, who invented the television and telephone, are two of the many excellent gadget inventors from Scotland which you in America could not live without. I am 11 years old.

Arther Gramah Bell...?

Dear Bill & Ted,

Are you going to show the good robot Bill

& Ted in your comic? Plus I made up some new toy figures! You could make Evil Bill and Evil Ted by being able to take off the skin on their heads and then put it back on. Then you could open up their chests and see the metal, then close it. Then, like in *Bogus Journey*, you could push the button behind Evil Ted's ear and his eyes could light up. Joanna and Elizabeth, Chuck DeNamos, Bill & Ted, Missy, Station, the three future guys, Colonel Oats and Mr. Ryan. By the way, I've got both movies, the figures and comics.

Good luck entering the exciting field of Taxidermy, Mike — Sounds like you have a real enthusiasm for the work.

Yo Dudes,

How's it going? I have a question: will that Monomop guy from issue #8 come back? I've seen your movie. Totally excellent! I am happy I have issue #7 or I wouldn't know what happened. How's Mark Twain?

Will you ever have an issue when Station goes wild? Party on, dudes! Station! Be excellent to each other!

James Gechter
61 E. Mohr St.
Mohnton PA 19540

Uhm...we had an issue where Station went wild. Issue #4, it was. Uhm...great idea though.

Dear Bill & Ted,

I think you are most excellent dudes. I hope you have Bill & Ted's awesome wedding, where Death, Lincoln, Bill the Kid, Genghis Khan, Jethro Tull, Joan of Arc and many more. Bill & Ted have to fight Linus and Geoffrey, who try to kill Bill & Ted so they can marry the babes. Linus and Geoffrey try to talk them out of it. But the babes laugh at them and Linus and Geoffrey get pretty more mad and want to kill Bill & Ted. When Bill & Ted are almost wed, Linus and Geoffrey ask them to duel and they duel but Billy the Kid takes his gun out and shoots it. Linus and Geoffrey stop but stab the robot Bill & Ted and then they die. Then Rufus — the Best Man — saw Death was so drunk he ran off in the booth. Oh Bill & Ted are young again and have babies, Little Ted and Little Bill. Death went to 2693, Bill & Ted save him from a mob who want to kill him then Bill & Ted get married.

Uhm...Der...you know what the word "plagiarism" means?

Dear Bill & Ted,

I've got a great idea for one of your comics. Let's say you guys go back in time to a TV studio and meet Bart Simpson, then Bart ends up going back in time to the first issue of BILL & TED'S EXCELLENT COMIC BOOK. Then you guys meet Weenie the Wacko Hot Dog, and he leads you to Al Bundy. Then someone pushes you guys into a sewer and you guys make friends with the Ninja Turtles, and when you guys decide to leave you see Elmer Fudd chasing Bugs Bunny. Then you guys see Montana Max chasing Buster and Babs Bunny...no relation! Bart gets bored so he goes in time to the movie *Bill & Ted's Bogus Journey*. Then you guys get hungry and eat at McDonald's, where you two meet Ronald McDonald. After a while, Bart went back to the Stone Age, where he met the Flintstones and Encino Man, only Bart teaches him everything about the rock age. Weenie and you guys meet Lydia from *Beetlejuice* and she calls Beetlejuice for you guys. Bill, you ask Beetlejuice for a time machine. Then Beetlejuice makes up a time machine that came with Marty McFly and the Doc. Then Bill & Ted went back to the time they met Bart Simpson and stopped him from going back in time. Too bad Homer has been reading this comic, because when Bart got home, Homer said, "Why you little — I!"

Well, guys, that's my idea and if you decide to print this can you send me a free issue because it was my idea.

Tyrone Heyward
29 Brooks Pl.
Staten Island NY 10310

We love your idea, Tyrone. Now if you'll just draw up the contracts with Matt Groening, Fox, Eastman & Laird, Warner Brothers, McDonald's, Hanna-Barbera, and every other licensing agent on the planet, we'll be happy to make your story into a comic book.

NEXT MONTH:

Bill & Ted discover that their excellent pal Abraham Lincoln was most heinously assassinated — so they naturally travel back in time to save him from this egregious fate!

That's where the trouble starts, next month in "The Lincoln Immemorial!"
